

Minneapolis Heart Institute Foundation® Cardiovascular Grand Rounds

Title: A New Approach to the Surgical Management of Adults with Congenital Heart Disease

Speaker: David Mauchley, MD

Associate Professor, Congenital Cardiac Surgery

Seattle Children's Hospital

Surgical Director of Adult Congenital Heart Disease Program

University of Washington Medical Center

Date: November 27, 2023

OBJECTIVES

At the completion of this activity, the participants should better be able to:

1. Describe the organizational controversies regarding the surgical management of adults with congenital heart disease.
2. Name the variety of cases that are referred by a busy adult congenital cardiology group.
3. Describe a team approach to the surgical management of adults with congenital heart disease.
