

Minneapolis Heart Institute Foundation Cardiovascular Grand Rounds

Title: Structural options for the “no-option” patient

Speaker(s): Konstantinos Voudris, MD, PhD

Interventional and Structural Cardiologist

Allina Health Minneapolis Heart Institute

Date: April 29, 2024

Time: 7:00 – 8:00 AM

Location: Minneapolis Heart Institute Building, Suite 100, MHIF Learning Center

Webinar – visit www.mplsheart.org/grandrounds for login information

OVERVIEW/PURPOSE STATEMENT

MHIF Cardiovascular Grand Rounds provides physicians and other health care providers the opportunity to review and discuss the latest developments in cardiovascular care.

OVERALL OBJECTIVES

At the completion of this activity, the participants should better be able to:

1. Identify patients with valvular heart disease and limited therapeutic options
2. List potential transcatheter therapies
3. Describe the benefits of ongoing research therapies

DISCLOSURE POLICY

Allina Health intends to provide balance, independence, objectivity and scientific rigor in all of its educational activities. The ACCME defines an ineligible company as “any entity” whose primary business is producing, marketing, re-selling, or distributing health care products/services used by or on patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests - unless the provider of clinical service is owned, or controlled by, an ACCME-defined ineligible company. All speakers and planning committee members participating in the CME activity are required to disclose to the audience any relevant financial relationships with ineligible companies that have existed WITHIN THE LAST 24 MONTHS, even if it has now ended.
