OVERVIEW/PURPOSE STATEMENT:

Our Cardiovascular Grand Rounds offers physicians and other health care providers the opportunity to review and discuss the latest developments in cardiovascular care every Monday morning during our Grand Rounds seasons. These weekly meetings feature topics across the spectrum of cardiovascular medicine. Practitioners share research highlights, offer treatment or diagnostic best practices, and collaborate to improve care for those with cardiovascular disease.

OVERALL OBJECTIVES:

1. Demonstrate improved awareness of emerging cardiovascular clinical care standards derived from new research
2. Discuss the implications on new cardiovascular care guidelines and develop more standardized approaches to treating cardiovascular disease
3. Utilize current evidence-based guidelines to improve standards of care for individuals with cardiovascular disease

Regularly Scheduled Series

Continuing Medical Education (CME)

LECTURE-SPECIFIC OBJECTIVES:

1. Understand the influence of PFA on CCB workflow.
2. The feasibility of performing outpatient AF ablation.
3. Update on German Workflows and their rationale

DISCLOSURE POLICY AND STATEMENTS:

Allina Health, Office of Accreditation intends to provide balance, independence, objectivity, and scientific rigor in all of its educational activities and will adhere to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. The ACCME defines an ineligible company as "any entity" whose primary business is producing, marketing, re-selling, or distributing health care products/services used by or on patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests - unless the provider of clinical service is owned, or controlled by, an ACCME-defined ineligible company.
