TOPIC(S) OR TITLE: **Comprehensive Cardiovascular Care and Coordination Center - the Minneapolis Heart Institute C5 Program**

FACULTY:

Marc Newell, MD
Vice President of Clinical Cardiology, Allina Health Minneapolis Heart Institute
Director, Clinical Cardiology, Allina Minneapolis Heart Institute-Abbott

OVERVIEW/PURPOSE STATEMENT:

Our Cardiovascular Grand Rounds offers physicians and other health care providers the opportunity to review and discuss the latest developments in cardiovascular care every Monday morning during our Grand Rounds seasons. These weekly meetings feature topics across the spectrum of cardiovascular medicine. Practitioners share research highlights, offer treatment or diagnostic best practices, and collaborate to improve care for those with cardiovascular disease.

OVERALL OBJECTIVES:

1. Demonstrate improved awareness of emerging cardiovascular clinical care standards derived from new research.
2. Discuss the implications on new cardiovascular care guidelines and develop more standardized approaches to treating cardiovascular disease.
3. Utilize current evidence-based guidelines to improve standards of care for individuals with cardiovascular disease.

LECTURE-SPECIFIC OBJECTIVES:

1. Better understand the need for innovative care models around hospital access for cardiology patients.
2. Understand the value of upstream triage of all cardiac patients.
3. Describe impacts of the C5 program on patient care in the inpatient, regional, and outpatient settings

DISCLOSURE POLICY AND STATEMENTS:

Allina Health, Office of Accreditation intends to provide balance, independence, objectivity, and scientific rigor in all of its educational activities and will adhere to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education.
