

CARDIOLOGY GRAND ROUNDS

Presentation: Use of CT to support appropriate selection of patients and devices / guide to non-surgical mitral valve replacement

Speaker: Jonathon A. Leipsic, MD, FRCPS, FSCCT
Chairman, Department of Radiology, Providence Health Care,
Vancouver, BC
Vice Chairman – Research, University of British Columbia,
Department of Radiology
Associate Professor of Radiology and Cardiology, University of
British Columbia
Canada Research Chair, Advanced Cardiopulmonary Imaging

Date: Monday, October 26, 2015, 7:00 – 8:00 AM

Location: ANW Education Building, Watson Room

OBJECTIVES

At the completion of this activity, the participants should be able to:

1. Review the role of MDCT for structural heart disease and transcatheter valvular assessment.
2. Review the current data for the use of MDCT for mitral valvular assessment and annular sizing for TMVI.
3. Discuss the unanswered questions that remain in transcatheter mitral valve implantation and how MDCT may provide some answers.

ACCREDITATION

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Allina Health and Minneapolis Heart Institute Foundation. Allina Health is accredited by the ACCME to provide continuing medical education for physicians.

Allina Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses: This activity has been designed to meet the Minnesota Board of Nursing continuing education requirements for 1.2 hours of credit. However, the nurse is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Others: Individuals representing other professional disciplines may submit course materials to their respective professional associations for 1.0 hours of continuing education credit.

DISCLOSURE STATEMENTS

Speaker(s): Dr. Leipsic has declared following relationships. Consultant: Neovasc Inc. and Tendyne Holdings Inc.

Planning Committee: Dr. Michael Miedema, and Eva Zewdie have declared that they do not have any conflicts of interest associated with the planning of this activity. Dr. Robert Schwartz declared the following relationships - stockholder: Cardiomind, Interface Biologics, Aritech, DSI/Transoma, InstyMeds, Intervale, Medtronic, Osprey Medical, Stout Medical, Tricardia LLC, CoAptus Inc, Augustine Biomedical; scientific advisory board: Abbott Laboratories, Boston Scientific, MEDRAD Inc, Thomas, McNerney & Partners, Cardiomind, Interface Biologics; options: BackBeat Medical, BioHeart, CHF Solutions; speakers bureau: Vital Images; consultant: Edwards LifeSciences.
