# CARDIOLOGY GRAND ROUNDS

---

**Title: Congenital Heart Disease: diagnostics past, present and future**

**Speaker: Charles C. Gornick, MD, FACC, FHRS**

Director of Cardiac Electrophysiology

Minneapolis Heart Institute® at Abbott Northwestern Hospital

**Kelly G. Han, MD**

Director of Congenital Cardiac Imaging

Minneapolis Heart Institute® at Abbott Northwestern Hospital

**Date: Monday, February 15, 2016**

**Time: 7:00 – 8:00 AM**

**Location: ANW Education Building, Watson Room**

## OBJECTIVES

At the completion of this activity, the participants should be able to:

1. Distinguish the changing congenital heart disease (CHD) population.
2. Associate that most morbidity and mortality in CHD is in adulthood.
3. Recognize the critical collaboration necessary between adult and pediatric cardiology to care for this group of patients.
4. Illustrate the changing diagnostics in CHD.
5. Illustrate several examples of CHD presenting in adulthood.
6. Interpret the depth and breadth of the Midwest Adult Congenital Cardiac Program; its importance of ongoing care for this unique group of patients; and illustrate its comprehensive program.

*Physician:* This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Allina Health and Minneapolis Heart Institute Foundation. Allina Health is accredited by the ACCME to provide continuing medical education for physicians.

Allina Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
