

CARDIOLOGY GRAND ROUNDS

Title: Reimagining secondary prevention and cardiac rehabilitation using telehealth

Speaker: Adelanwa Adesanya, MS

Co-founder
Moving Analytics, Inc

Date: Monday, January 30, 2017

Time: 7:00 – 8:00 AM

Location: ANW Education Building, Watson Room

OBJECTIVES

At the completion of this activity, the participants should be able to:

1. Describe the importance of secondary prevention programs like cardiac rehabilitation and the factors behind their low utilization.
2. Discuss the role, benefits and key evidence supporting telehealth in secondary prevention.
3. Prepare a business plan including reimbursement pathways, cost, and return on investment for telehealth in secondary prevention of heart disease.
