OBJECTIVES

At the completion of this activity, the participants should be able to:

1. Identify gaps in current approaches to quality improvement and care innovation.
2. Discuss strategies to assess the impact of quality improvement efforts.
3. Summarize the intended impact of CV-QUIC on patient care and health systems.

Moderator(s)/Speaker(s)

Dr. Steven Bradley has disclosed that he DOES NOT have any real or apparent conflicts with any commercial interest as it relates to presenting the content in this activity/course.
