Webinar – visit www.mplsheart.org/grandrounds for login information

OVERVIEW/PURPOSE STATEMENT

MHIF Cardiovascular Grand Rounds provides physicians and other health care providers the opportunity to review and discuss the latest developments in cardiovascular care.

OVERALL OBJECTIVES

At the completion of this activity, the participants should better be able to:

1. Outline the recent data on statin safety and the rationale for the modern approach to lipid-lowering therapy
2. Discuss the role of lipoprotein a in cardiovascular risk assessment and the potential future treatment options
3. Define the role of GLP-1 medications in weight loss and cardiovascular risk reduction
